

Thank you to all those who attended the recent player interviews and expressed their opinions on the proposed alternative to pennants on Thursdays during the summer. I am pleased to report there was unanimous support for the concept. 30 players indicated that the proposed Thursday Club Triples event was their preferred option. 44 players would prefer to play pennants but of those, 40 indicated if not selected would happily play in the alternative. Fortunately, at least 2 of the 4 dissenters are probably automatic pennant selections.

So as a result I am pleased to announce there will be a Thursday Jackpot Triples event coinciding with the 2018-19 pennant season. With the reserves from the pennant teams there is a potential for 38 competitors which should ensure a vibrant competition. I am confident we can find some sponsors and build in incentives to encourage the commitment we need to make it all a great success.

Thank you for your interest and your input.
