## Newsletter of the Dalkeith Nedlands Bowling

Winter bowls is now in full swing. Remember it is always mixed on Thursdays and Saturdays plus the ladies have a get together on Friday mornings. Marty and his team work hard to keep the programme varied and interesting so make sure we support them with good numbers. Competitive games are the aim but the overall object is to extend beyond your pennant groups and enjoy the company of all club members.

Winter is also the best time to introduce new members to our club and to the game of bowls. The girls made a wonderful start with their successful guest day and we are confident of seeing some new faces. Let us make them feel very welcome.

### NEWS FROM THE TRACK

Chris Scovell coming off an injury interrupted season is trialing well. Rick Malley has been seen testing his joints for a return.

Now the heat is off Geoff Cahif is putting in the training.

Ian Freedman is back on dry land and bowling well.

Any truth to the rumour of a past regular making a return to bowls this year ?

### Know your member

Doug Cross is an old Swanbourne boy who completed his high school education at Perth Modern School. He then took a slightly adventurous path for a city boy of attending Muresk Agricultural College. It led to a career in chemical companies servicing the agriculture industry. Time in Beverley was well spent with Doug securing a lovely wife in Lesley. They later spent time in Sydney and Katanning where he ventured into his own ag supply business. Hockey was the early sporting interest, then a bit of golf and on his return to Perth it was bowls at Swanbourne and then Dalkeith. Doug has made a great contribution to our club as our sponsorship co ordinator bringing in much needed dollars to ensure our continued survival.

Doug is a most worthy winner of our Clubperson of the Year award for 2020/21.

Well done Doug. Thank you.

### AGM. Thursday 27th May. 4.00 pm

President Alan in his speech at the Presentation Lunch, rightly lauded the efforts of those who put themselves forward to do the essential jobs that make this club so enjoyable and one we can be proud of. It has been a year like no other with the presence of COVID and many of our members have assisted in a monetary value to get us through. Many too have assisted with their time, ideas and muscle. Our executive committee have had to remain alert to the problems presented while John Shaw and his facilities team, John Pole and his cleaning team, Doug Cross with sponsorship, Leigh Richardson and her energetic social committee and the Camins / Page team in corporate bookings have made wonderful contributions to our success. On the playing side Brian Burton, Robyn Gillon, Gwenda McIntosh, David Steinberg, Adrian Clements and Marty Adams deserve recognition for their time and effort. Some of these are happy to continue on in their roles but some may call it a day. New ones will need to stand up. Our club only survives through the efforts of volunteers so be prepared to put your hand up and let's fill all positions at the AGM
