

Ladies President's Report

We are looking forward to a successful new year of bowling with several new lady members and great enthusiasm from pennant players for the new season. Most days will see members practising their bowls and the improvement is very evident in the standard of play now experienced in the club games.

Our ladies committee are working extremely well to ensure the club continues to be a friendly happy place to enjoy bowls and each others company. A big thank you to all committee members including our Treasurer Secretary, pennant selectors, match and social committees for their contributions to ensure the year runs smoothly.

Our annual fashion parade was great success and enjoyed by all. Our special thanks to Broadway Lady Boutique for supplying the clothes and to all helpers on the day.

Great fun was had by all at the Melbourne Cup day. Once again the friendship at our club showed through with members all helping to make it a special day. Adrian Clements and his helpers have the running of the sweep down to a fine art thank you all for a splendid job. Following a merry lunch we all made our way out onto the greens to play bowls

Ladies Match Report

Over the winter months our bowling season was enriched by Helen Sandford's sponsorship of a Winter Competition. Bowlers competed every Friday and the eventual winner was Gwenda McIntosh from Evie Morgan.

Friday, 5th September was our Opening Day. All went smoothly, speeches by our President, Margaret Wells and Men's President David Hyde touched on similar aspirations for our club, however sadly our patron, Shirley Cruickshank was not well enough to attend. After some wonderful reminiscing about earlier days in our club a delicious morning tea / lunch was enjoyed. 35 bowlers participated in an afternoon of bowling drawn by popsicles!

Scroungers, sponsored by Ailsa Moss, is well under way and very popular. P.House, C.Bakker and Jo Drake-Brockman have qualified for the finals.

We are working our way through the programme with 3 trophy events already decided and the winners spread over many members.

I am enjoying the challenge of Match Captain and

appreciate the support given by my committee members, Maureen Davison, Noelene

Collins and Celia Bakker. Lastly, a Big Thank You to our wonderful ladies who have rallied around when numbers were so important to the competition running smoothly.

Heather Hince Match Captain.

Ladies Selection Report

We have had a good response for those wishing to play Pennants this coming season. We have a Div 2 side, a Div 3 side and a Div 4. We have been fortunate to have a few new members and all are keen to play pennants. This has given us a few extra reserves which is a great bonus. Also we have entered a Saturday Pennant Team. Because of the restrictions of who can play at what level we have found ourselves in the Open Division again this year difficult but all good experience.

It is great to see so many members down on the green practicing each week keep it up ladies the more we practice the better we get.

Thank you to my fellow selectors Gwenda MacIntosh, Nita Press, Cathy Minchin for their help in team selection

Selection 2007/2008

Well here we are at the end of another season of bowls pennants which from a club point of view has been very successful. During the year we provided 5 Teams on Saturday and 6 Teams on Thursday of which 10 of the 11 teams made the play off's for either a pennant or promotion to a higher level.

As a result of the play off's we finally had Division 1 White promoted to Division 1 Red next year and as such will have both our top teams in the highest Division 1 red next year and as such will need to be really on our toes to maintain this level. Congratulations to both these teams with special mention to the Thursday side for finishing on top at the end of the qualifying games after promotion last year and well done to the Saturday Division. 1 side to gain promotion after last years disappointment.

Our second sides had a successful year however disappointment at missing out on promotion in either division 2 on Thursday and division 3 on Saturday after being in the final game in each division. Our 3rd sides were successful in promotion on Thursday division 3 and Saturday division 4 and will next year be in the next division up. Mention must be made of both sides as Thursday only qualified in 5th place and won all their games in the play off's whilst division 4 on Saturday were promoted last year as well and to achieve promotion again is a great effort.

All sides in the lower divisions performed well with division 4 on Thursday being promoted whilst our Division 5 side on Thursday and our 2 Division 7 sides on Saturday both made the play off's As you can see from these results we have done well but with promotions next year will be even harder and as former top golfer Gary Player once commented that the more he practiced the luckier he got and I think there is a good message in this for all our pennant bowlers next year.

Finally I would like to thank all the players for their efforts and also the selection committee of John Bridge Martin Adams Alton Jackson and Peter Bacich for their time commitment.

After many years as Club Captain Brian Burton has retired to take on the position of Chairman of match in Bowls WA. It is a great to have one of our members now on Bowls WA executive and we congratulate Brian on taking up this important position-we wish him well.

It is important that we as a Club thank Brian for his many years as Club Captain.He has always been very efficient-even though he may have changed the rules now and then, but always a lot of fun. Thank you Brian.

Club Finances

As you are aware the Club Treasurer, Bill Robertson, resigned early this year and I became Acting Treasurer. I thank most sincerely, Martin Adams, Geoff Sansom (Treasurer Elect), John Bridge and Brian Burton for their work in finalising this years accounts and dealing with the day to day transactions.

It has been a great effort.

The results for the year show a loss of \$31,999 after charging \$15,273 in Depreciation.

There were a number of major Repairs and Maintenance carried out during the year, the total of which amounted to \$14,314. The Club House both internally and externally are in pretty good shape and should not require a lot of maintenance in the coming year.

A Copy of the Financial Statement for the year ended the 31st March 2008 will be available at the Annual General Meeting.

David Hyde.
