GENERAL MEETING

A good innovation by President Alan to keep members informed. Two of the important points made were the pleas for people to take a lead on Community Bowls and Membership. There are a number of willing helpers but we just need a couple of members to put up their hand to be the co-ordinators. HELP !!

KNOW YOUR FELLOW MEMBERS

A little segment to just inform you of something you may not know about one of your fellow members. It's not meant to be a This is Your Life but just a snip bit and remember the editor will never let the facts get in the way of a good story.

Victim 1 is Peter Bacich. Peter arrived in Australia as a 10 year old immigrant from Croatia, the home of many a great lawn bowler. He made a career as a builder and his early work was done in Gnowangerup. Took up bowls around 1995 and joined Midland Morrison who were then a premier league club. After a short introduction to the game, he played his first game as a third in the top side then skipper the next week and that is where he remained. A shift to Dalkeith came in 1999 then a club whose top side was 3rd division. With Peter's talent and his ability to attract players the club worked it's way up the grades winning pennants and finally having a short spell in premier league. In that period Peter also used his building skills to work with President John Paterson in the extension of the club house. The "Duke" still gets great pleasure in the competitive nature of bowls and is raring to go for another season of pennants. A tip. It's still dangerous to stand too close to the head if he is driving.

SPONSOR NEWS

We have a painter on board. **GOLDINGS PAINTING**. No not Phil but Rob. All classes of domestic and commercial painting. Phone 0418 955 935 Highly recommended by David Wood. Well done Woody for making Doug's job a little easier. We can all assist in recruiting sponsors. Talk to Doug with your suggestions and any questions.

Everything helps but the real big one for us would be a property sale. Our major sponsor, **FINE & COUNTRY** is still offering the club \$10,000 for a successful property referral by a member (if over \$2mill - \$5000 if less) Some of that would be wonderful.

BROADWAY TRAVEL is still very much a sponsor and need our support in these tough times. They are still working but from home. Their office phone 9389 0500 will still get them.
