## NEWSLETTER OF THE DALKEITH NEDLANDS BOWLING CLUB

A big change in our club over the past few years has been the transition to a genuine 12 months of the year club. The creation of the wonderful synthetic B Green has enabled play in the winter months in good conditions and enjoyed by good numbers. Marty's nominated events have been a great addition and enjoyed by many.

The girls have enjoyed a good Tuesday season at Innaloo with several newcomers being introduced to competitive bowls. But now with Spring in the air talk is turning to the upcoming pennant season another important part of the club's activities - but just a part. It's the friends we make and the fellowship that makes this club the best.

### DARWIN TRIP

As this is written, over 20 of our members and partners are enjoying a bowling trip to Darwin. The trip got away to a bad start with the plane returning to Perth after an hour in the air and then time spent on the tarmac. It was a tired group that eventually arrived in Darwin and it ensured no misbehaviour on night one. Since then ?? The bowls has been challenging but enjoyable, the company great and a lot of fun had by all.

### SPONSORSHIP

It is with great pleasure we welcome a new partner to our club in Lexus of Perth. David Jeary, the managing director, is our contact there and he looks forward to establishing relationships with our members should they be interested in the quality Lexus product.

David is a Christ Church old boy who followed with a career in finance that took him east. A return to WA came in 2003 when he took up a position of general manager at a luxury vehicle dealership. In 2006, in partnership with local businessmen, he took up ownership of Lexus of Perth in a unique stand alone dealership.

The Lexus product is of the finest quality but the real standout is the genuine care of their customers. We have at least 8 happy Lexus owners in the club who will willingly attest to that. So if you are in the market, do yourself a favour, contact David and don't forget to mention you are from Dalkeith BC.

### THE UPCOMING SEASON

Thoughts of the club captains and selectors are starting to turn to the upcoming pennant season. Thursday bowls are still mixed but Saturday will provide for men and ladies but on separate rinks. Selectors will be the organisers and they will be looking to test a few in different combinations and positions. If you have any thoughts on where you would like to trial, I am sure the selectors would welcome your thoughts.

The ladies have nominated 2 teams for each pennant day and the men 3.

Some discussion has been taking place among the men as to whether they would prefer a club day to a 3 rink 5th division pennant team. There are supporters for both sides of the argument but probably at this stage there is a slight preference to retain a 5th division for this year and then review at the end of the season taking into account the standard of 5th division and the amount of travel involved.
