NEWSLETTER OF THE DALKEITH NEDLANDS BOWLING CLUB

FROM THE PRESIDENT

Bowls WA are offering grants for promoting bowls and the use of the club for community activities. With the help of Phil Stewart and Peter Collins we are submitting an application to run two separate events, community bowls on a Wednesday evening with Peter and a jack attack on a Friday night aimed at younger people with the possibility of food trucks and child activities and supervision. We will be encouraging members to be involved both with running the event and also enjoying the food and drinks and live music available on these nights.

We are planning with an expected hot summer to play more of our bowls including pennants and club events at night under lights. Experience from last year is that the lights need improvement and this is being organised with electricians. The likely outcome is that with some maintenance and possible new lamps this will be achieved.

Future development of C Green to synthetic with lightweight fabric roof (see photo) has been discussed with a committee of Andrew Foster, Matt Green, Phil Golding and myself on two occasions. We have obtained a number of quotes which vary quite substantially. Financial feasibility and funds required are also being investigated,

Our current greenkeeper Ryan is employed on a part time arrangement. In the past members often had chats with Gary re the status of the greens. Ross Donald is now in charge of green supervision and we would prefer that any comments or discussion re the greens be made with Ross and not the greenkeeper.

ELECTRONIC CLUB DIARY

There will be no printed club diary this year. Thanks to Kent everything you need to know will be on our website. Try it now.

- * Go to website homepage
- * Click on the 3 horizontal lines
- * Click on Member Area
- * See Club Calendar & Fixtures - click on the month you want and hey presto it's all there.

We'll done Kent. If you didn't have an OA already we would give you one. And yes access to members' phone numbers is coming.

Sponsorship News

THE LOCAL QUINNS EVENT

Don't miss this one. \$30 will get you a game in the Quinns event plus an Italian meal with a glass of wine at our generous sponsors The Local on Waratah.

When ?

Sunday 25th September

That is the day after the Grand Final. With no organised bowls on GF day you should be fresh and ready to roll on the Sunday.

Quinns Events require a field of exactly 40, no more no less, so get your names up quick when the sheet goes up on the board.

friendlieseyecare.com.au

Welcome to a new sponsor in Brett Willis of FRIENDLIES EYECARE in Bayview Terrace Claremont. Brett is the sort we like - a local who owns his own business and offers a great personalised, professional service.

Frame selection is very important to at least the ladies and you will be impressed with the choice offered. So pop in, say hello and welcome. I think there is a chance we can make a bowler out of him.

Well done members.

I have had some good reports of you making yourself known to our sponsors and mentioning the club. It all helps in making my job a little easier.

Liquor sales, a car sale, funeral services, hearing services, blinds sales and restaurant bookings have all been noted. Great Stuff.
