## NEWSLETTER OF THE DALKEITH NEDLANDS BOWLING CLUB

Pennant season is up and away and across the board it seems like we have got away to a terrific start. Keep it up , we are chasing promotions this year.

It is not only our members who are feeling a little older this year. Some of our equipment has started to feel the pinch. In recent times we have had to replace a bar fridge, an ice maker and look to upgrading an oven. Fees and generous members can't cover it all and sponsorship becomes vital. So it is with great pleasure we bring on board a major new sponsor in Acton Belle Real Estate. On top of an annual contribution they will also give us a generous proportion of any commissions earned. So let's get behind this one and make it work. Choosing an agent is a very personal thing but if you are thinking of listing just give them an opportunity to make their case and then it is up to you.

Welcome Grant and Bev Heymans.

### SON OF A GUN

We welcome Rob Moran to the club. What a great addition. He has settled in nicely to the top team and yes the boy can play. There is probably a good reason for that. He is the son of the legendary South Australian bowler Des Moran who won a host of major titles, played many times for his state and represented his country internationally. Young Rob got in to the game at an early age being brought up on probably the only privately owned bowling club - owned by his family. Rob too won state titles and represented SA. Career and family has caused a long break from the game but Rob is now back, enjoying it and we are the lucky club to have him.

### Bowls Etiquette

1. When changing ends, players must not walk on the line of the last bowl.
2. The controller of the head must retire behind the head immediately his teams bowl comes to rest, unless that bowl be a toucher.
3. When a measure is taking place, those not directly involved must keep well away. If umpire is called players should retire to the bank.
4. When a player is near the point of delivery, all players on that rink must be still, quiet and two metres from the mat.
5. Bowls must never be dropped onto the green.

Our previous sponsor Andrew Foster is still being just as generous to the club but we are using his funds in other ways. Thank you Andrew.
