## NEWSLETTER OF THE DALKEITH NEDLANDS BOWLING CLUB

**Happy New Year** to all our members and sponsors. It has certainly started well. We have retained all our major sponsors plus added a couple and the corporate Xmas season may have been our best ever. As stated by our president David, these and not fees, are our major sources of income - but of course they rely on volunteers. Please get behind those brave organisers and help when called upon. We are not a club where you can just cough up your fees and then sit back.

Pennant wise, we have generally had a great first half and we have up to 5 sides well in contention for promotion. Keep it going.

Coach Peter Collins gave a well received talk to the ladies re pennant performance which I will share with you over the coming issues.

### BOWLS GOSPEL ACCORDING TO PETER

1. Do Your Job. Support your teammates. Have fun.
2. Deal with the conditions. They are what they are. Adjust. Adjust. Adjust.
3. Don't make excuses. No sore back, sore knee etc. They are not helpful to anybody.... Your team or you.
4. Play percentages ..... assess risk to reward.
5. Draw shots are practically 95% of all shots played .... Master them
6. Establishing your aiming line is most important.
7. Learn to bowl to a position. It is not always the jack.

How about this for a photo !  
Our then 96 year old champion Ken Brooke pictured with 12 year old Sophie Hayes, his direct opponent in a recent 4th Division pennant game at Joondalup. In what other sport could you enjoy this ? I am told honours were even.

Ken of course is still basking in the glory of winning the men's club pairs with a youthful John McCormack. Ken celebrated a birthday in January (yes 97) and he is now setting records that maybe only he can beat.

Our friends at IGA Tucker Fresh Broadway are great supporters of our club. Store manager Saurabh is pictured handing over a sizeable cheque to Lindsay as part of IGA's policy to become very much part of the local community.

Our valued partners at Grand Cru are delighted with the support of our members and have been generous to the club in return. Well done.

Yes, it works.  
Support those who support us.

Looking for a coffee, a drink or a meal out? We have had several generous establishments who have helped us out with vouchers over the year.
