

WEDNESDAY TRIPLES

DNBC is planning to implement a Wednesday nominated mixed gender 3 bowl triples completion starting next Wednesday, May 10. It will be a little more competitive than the current Thursday and Saturday completions and is open to all members to form their own teams perhaps inviting friends from other clubs to form a composite team, along with members of outside clubs being encouraged to nominate teams.

The format at this time will be one game of 15 ends starting at 2.30pm and finishing at 4.30pm.

The purpose is to attract more members and visitors to the club on a Wednesday afternoon in order to justify the opening of the bar. Mixed gender teams are welcome.

The entry fee would go to prize money and the club would look to make its money from the increase in bar turn over and two raffles to be run over the course of the day.

As there is only one game at this stage the draw would see teams evenly matched.
