NEWSLETTER OF THE DALKEITH NEDLANDS BOWLING CLUB

The excitement of the pennant season is finished and the social bowls season is now in full swing. Thursdays and Saturdays are of course mixed and provide a great opportunity to introduce new members to the club and the game of bowls. Friday mornings for the ladies provide a similar opportunity. Put your mind to it and think of who you can introduce to our wonderful club. New members are our lifeblood,

A good crowd attended the meeting for what the future may hold for us if we are to survive as the western suburbs major Bowling Club. Sharing our facility of an unused D Green with padel tennis secured popular approval. An all weather covered synthetic green was well explained to us and it's major benefits were obvious. Cost of course is a huge factor, but with open minds and creative means, anything is possible and a sub committee will explore further. Exciting times ahead.

Recognise this girl ?

We have a star behind the bar in Caitlyn.

Winning the Jill McIntosh medal in netball is like winning the Sandover medal in football. It means you are the best in the state league. Not only that, she was a member of the winning team in the last two premierships.

Along with brother Luke and sister Sarah behind the bar the Brown family have become a big part of our bowling club family. Sarah in particular is showing great enthusiasm in invigorating our social activities with some terrific new ideas. The support has been encouraging so let's get behind her. Sarah's bar snippets follow on below.

We would like to acknowledge Stewart Fine Art Picture Framers in Dalkeith who framed photos of our pennant winning teams at no cost. Please support them if you have a need for their services.

Thanks to Kent our website is a wonderful source of photos of members and events. Check out the historical section when you have a moment .

Hello Members,

Firstly, we would like to start out with a belated thank you to everyone who came down and supported our Friday nights in March. It was great to see so many of you come down and enjoy 'happy hour' as well as supporting the food trucks that we brought in.

I know coming into winter, bowls can be a bit iffy with the weather, but the **bar will still be open** 😊. We will have the bar open, the footy playing, the heating on, and of course the new 'Hot Food Menu' which includes Pizza, Toasties and Soup of The Week available.

Again, we would love to see as many of you down at the club as possible. There are already quite a few members that have started coming down on a regular basis which has been amazing!

UPCOMING EVENTS:

The bar will also have some exciting events coming up. These events are separate from the events run by the social committee. All members are of course welcome to come down and we would love to see you there. These events have been put out to the wider Dalkeith – Nedlands community to try and encourage some more locals to come down and join the club as a social member. So, if you have any family, friends, neighbours or more in the area that you think would be keen to come down to the club, please spread the word and get them down to these events. We would love to see as many people down as possible.

- DNBC COMMUNITY TRIVIA NIGHT:

o Friday the 26th of May 6:30 – 9:00pm

o \$15.00 per person

o Heaps and Heaps of Prizes to be won (almost impossible to go home empty handed)

- Send an email to the club or visit the bar to sign you or your family and friends up. All ages are welcome!!

On a little bit of a sadder note, the bar is saying Goodbye to one of our Staff Josh on the 26th of May as he is leaving us to Join the WA Police Academy, so make sure you get in to say goodbye before he goes. Don't worry, he has assured me we will see him around the club after he goes, just on the other side of the bar!!

That's all from the bar for now! We all hope to see you at the bar soon 😊😊
