NEWSLETTER OF THE DALKEITH NEDLANDS BOWLING CLUB

The AGM signals the end of one year, and the start of the next. Thanks to a steady membership, generous sponsorship, and a much improved non-Covid corporate season, we are still afloat and have a little in the bank.

No elections were required to fill positions, and the men welcome a new captain in Alek Gryta. Good luck, Alek. Organising championships, social bowls and the Spring Fours will keep him busy, but there should be plenty of member help to ease the load.

Weather permitting there is plenty of social bowls happening. Club bowls on Thursdays and Saturdays are important as it is, when you can mix with all members, some of whom maybe new to the club or new to the game. It is also an opportunity to play in positions, some of which you may never have got to play in the pennant season.

DALKEITH - IT'S MORE THAN JUST A PLACE TO HAVE A BOWL.
It's a place to meet, enjoy and make new friends.

SCHOOL TIES

That Gadabout Triples brought out some school caps for one team. Yes Hale School caps. Made me think Hale could come up with a pretty good bowls team.

John O'Meehan and the Wood brothers from Havelock Street days, Roger Gray and Bob Rose '64 leavers, Lindsay Richardson '65, Ian Freedman from the late 60's ? And a young Andrew Foster.. Did I miss somebody? Anyone want to take us on I am sure it could be organised on a club day.

Though not a student David S could claim to be a fully paid up Hale member (4 boys education) But no to Ron Day - that shirt came from the clothing exchange.

Just a reminder to keep referring to our wonderful club website. Kent continues to do a superb job keeping it up to date with all the happenings plus reminders of upcoming events.

All members phone numbers can be obtained from there. The password is **dnbc1**. Easy.

GREAT NEWS

FUSSY MEATS in St Quentin's Ave Claremont have come on board as a most generous sponsor. Most of you will know the shop as Peter's as it has been in Claremont forever. Chris Faulds and his friendly staff will give you a special welcome if you tell them you are from the Dalkeith Nedlands Bowling Club. All the produce is of premium quality and the pies !! Just give them a try.

Sponsorship, I believe, is the somewhat quiet achiever in the club and hardly rates a mention even at an AGM, but without it I don't think we would exist. Sponsorship brings in considerably more dollars than anything but memberships and fees. Members using sponsors and members referring likely sponsors can take great credit for that.

So here's where I need your help. A new financial year is renewal time for sponsors and we don't want to lose any. If they are aware they have done recent business with club members then they are much more likely to stick and my job is that much easier.
