SCAN the QR CODE above and be an integral part of realising this world class facility and create a community hub for future generations

DNBC has developed a Five Year Five Phase master plan to go from “Bowling Club to Community Hub” through improved facilities, activating the site for social engagement and interaction and through private partnerships offer a range of incremental and alternate sporting and social activities.

The plan includes :

1. The redevelopment of C Green into a world class all year round bowling facility with market leading synthetic green replacing current grass green and a state of the art PTFE all weather canopy
2. Installation of three and potential for six padel tennis courts on D and E Greens currently not being used or significantly under utilised – Via our private partnership this global phenomenon that is padel tennis will be available to the local and broader Perth community
3. Addition of a nature play all abilities playground designed and developed for our site providing parents and kids alike an enjoyable experience while in our local precinct for social or sporting activities
4. Development of a social hub and alfresco space for the enjoyment of all anchored by our private partnership Espresso Bar shipping container for some of the finest coffee and pastry delights or after hours enjoy the inviting friendly atmosphere of the Bowlo Bar
5. Reinvigoration of the green spaces with new landscaping to promote and highlight all our wonderful site in Jutland Parade, Dalkeith has to offer

YOUR DONATION TO THIS PROJECT IS TAX DEDUCTIBLE

The Australian Sports Foundation (ASF) is the only deductible gift recipient for sport in Australia. This means that donations of \$2 or more to approved projects on our website are tax deductible. Shortly after making your donation, you'll receive an official receipt from the ASF that you can use in your income tax return. If you have any questions about your donation, please visit <https://asf.org.au/faqs>
